

Spring term 2020

# Eco – Council News

To keep our green flag award at Morecambe Road school, we have to have a two year inspection to ensure the school and the eco-council are continuing to meet the high standards we set ourselves. Although it was extremely hard work and took a lot of preparation, we are pleased to announce that we passed and have retained our status as an Eco-School! Thank you to all the staff, pupils and parents who have worked extremely hard to earn this award again.

Spring term 2020

Just a reminder to staff and parents that we have our 'Recycle with Michael' bin outside of school and this is for any unwanted clothes or shoes. Thank you again for your efforts on helping the school to recycle.

Spring term 2020

In the coming months, the eco-council will be having a small party to celebrate all of our achievements over the past year. We have made great strides in becoming a more eco – friendly school. This party will involve all locally sourced food or fair trade food and drinks, to encourage conversations about where are food comes from.
